MILTON JONES

IS OUT THERE

Saturday 2 December
7.30pm

Milton Jones is Out There. No, really out there and this time he hasn't just forgotten his keys. He's holding up the mirror of truth to society, and he can see right through it, which means it's probably just a window. In his brand new show he'll be putting his foot down and lifting the lid on the pedal bin of lies of the media (which doesn't include this press release obviously). He will also be scaling the heights of fashion at the risk of falling into a terrible cravat. Milton will be talking about his life so far - the ups, the downs and why buying his own see-saw was the best decision he ever made. But perhaps he should give all this up and seek the highest office in the land - but how do you get a desk and a swivel chair up a mountain? Oh and now he wants to be Prime Minister too. Can we do worse than the politicians we already have? Yes we can!

BLAZIN' FIDDLES

Guildhall Promoted/ Music

Blazin' Fiddles are undoubtedly one of the world's most prolific fiddle groups. Over the last 17 years, no other band has quite managed to capture the excitement, passion and sensitivity of Scottish music all at once. With a Blazers performance comes the rare opportunity to hear the regional expressions, from Scotland's Highlands and islands, and the individual style from each fiddler – Inverness' Bruce MacGregor, Shetlander Jenna Reid, Nairn's Rua Macmillan, and Orcadian Kristan Harvey – in a blend of ensemble and solo sets. Fiddles and bows come alight atop guitar and piano from Anna Massie and Angus Lyon, delivering a musically intoxicating evening for all.

GRAND DIAMOND JUBILEE TOUR

Who could have predicted that a band, which hit the top of the charts 50 years ago in 1961 with hits in the 20's style that was already forty years out of date, would still be around in 2017, and still playing the same style of music? The main difference now is that the band has a vast repertoire.... jazz classics from the past, original compositions, novelty numbers and as they play for you, their enormous enjoyment is hilariously transmitted to their audiences with their zany pythonesque humour.
