WELCOME TO THE GUILDHALL ARTS CENTRE

We're delighted to welcome you back to the Arts Centre for an exciting summer season! It's been wonderful to see our young audiences growing and we love watching so many children experience the magic of live theatre and creative workshops. This May, we're especially excited to present 'Adventures in Science'—a fantastic blend of scientific fundamentals and pure silliness! As always, we have a variety of engaging workshops for kids throughout the season and due to popular demand, the beloved 'Bubble Show' will make its return at the end of July.

We'd like to extend a heartfelt thank you for your continued support of our Pay It Forward Scheme. Thanks to your generosity, residents of Braeburn Lodge in Deeping St James were able to take part in a six-week program of themed activities. This included those in general living and the dementia ward. Each session featured engaging, hands-on craft activities, such as making bunting and designing Zen gardens, all aimed at sparking conversations, reminiscing and

promoting movement. The residents thoroughly enjoyed the experience, finding the sessions both creative and stimulating. The staff also appreciated the sessions taking away skills and new ideas for the future.

Last Christmas was a spectacular way to wrap up the year! Polka Dot Pantomimes returned with *Beauty and the Beast*, delivering a magical performance that led to record-breaking ticket sales. It was a delight to see so many smiling faces, both young and old, filling the theatre. We're beyond excited to announce this year's pantomime... *Snow White*! Tickets are on sale now and expected to sell quickly, so don't miss out! Performances run from Saturday 29th November to Sunday 4th January 2026.

We look forward to welcoming you soon.

It may be a crime drama, but the mystery remains: do we really know who Ruth Ellis was? Did she?

HEJIRA - CELEBRATING JONI MITCHELL

'Hejira' is a 7-piece band set up to celebrate and honour the masterpiece works of Joni Mitchell, mostly from the late '70s. Having released the albums 'The Hissing of Summer Lawns', 'Hejira', 'Don Juan's Reckless Daughter' and 'Mingus', Joni then toured briefly with a band formed from the crème de la crème of contemporaneous musicians (Metheny, Mays, Brecker, Pastorius and Alias). The tour was recorded, producing the outstanding live recording, 'Shadows and Light'; it is from this period that the band Hejira is drawing the body of its repertoire.

Comprising highly experienced, world-class musicians, Hejira is fronted by the brilliant Hattie Whitehead who not only has – in her own way – assimilated the poise, power and beauty of Joni's vocals, but also plays guitar with Joni's stylistic mannerisms. Expect an evening of the great songs from Mitchell's back catalogue, such as 'Amelia', 'Woodstock', 'In France They Kiss On Main Street', 'Hejira', 'Black Crow', 'A Case of You', 'Free Man In Paris' and more.
